

ARAKURA SCHOOL – PHOTO PERMISSIONS

Over the last couple of years we have begun developing both our website and more recently our Facebook page.

www.arakura.school.nz

www.facebook.com/ArakuraSchool

We require permission to publish any photo, and especially for online publications.

This is just a quick request asking for your permission to publish photos of your child online.

We would like to publish photos of students participating in activities, engaging in learning, and examples of students' work to both of these online places. This will enable you to see your child in their classroom and at their school doing what they love doing.

No names will be mentioned in relation to any photo that is published.

If you have any questions regarding the publishing of photos, please feel free to contact the school.
